G Suite

Get Gmail, Docs, Drive, and Calendar for business.

All you need to do your best work, together in one package that works seamlessly from your computer, phone or tablet.

START FREE TRIAL

WHAT'S INCLUDED

Everything you need in one package.

Connect

Reach your colleagues wherever they are.

Create

Everything you need to bring your project to life.

Access

Store files and find what you need instantly.

Control

Manage users, devices, and data securely and easily.

BUSINESS BENEFITS

Designed for your workplace, starting at just ₹150/user/month.

Email @yourcompany.com

Send [professional email](#) from your business web address (you@yourcompany.com) and create group mailing lists like sales@yourcompany.com.

All the storage you need

G Suite's Basic edition includes 30GB of online storage per user. For unlimited storage, upgrade to the Business or Enterprise edition.

24/7 live support

Call or email [Google support](#) to get help from a live person whenever you need it. You can also find fast answers online in our help center.

Advanced admin controls

Add and remove users, set up groups, and add security options like 2-step verification and single-sign-on (SSO), all from one centralized [admin console](#).

Mobile device management

Keep your company data secure with [device management](#) that allows you to easily locate devices, require passwords, and erase data if needed.

Easy data migration

Use our [migration tools and services](#) to move your organization's important data to G Suite from your current storage solutions.

How do I know if my product or transaction complies with PayPal's Acceptable Use Policy?

Personal

Business

PayPal prohibits the activities or transactions of products/services that violate [the Acceptable Use Policy](#). If you have questions about whether a type of transaction may violate the Acceptable Use Policy, please email our Compliance Department at apvulations@paypal.com.

PayPal also requires pre-approval to accept payments for certain services. For more details and how to obtain approval, please view [the Acceptable Use Policy](#).
